AIDC EC KAIZEN SEMINAR 8 MARCH 2017

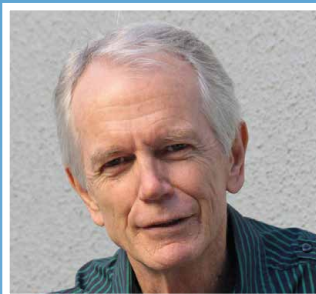

INVITATION

The Automotive Industry Development Centre (AIDC), in partnership with Confederation of Indian Industry (CII) and Lean Institute Africa (LIA), cordially invites you to the AIDC Kaizen Seminar.

The aim of this event is to attract companies and their representatives to share ideas on continuous improvement activities, by leveraging tools like lean, TPM, 6 sigma, Rapid Process Improvement, etc.

International guest speaker Rakesh Atre from Munjal Showa, will be speaking about the Lean Machine Concept.

Professor Norman Faull from the Lean Institute Africa will present on Kaizen methodology.
